#### INCREASED VOTE

Found That Percent of Loss Among Disfranchised Voters in Adams County (O.) Is Very Small.

After close examination statement is made that there will be but slight shrinkage in the number of votes from the number disfranchised in Adams county in the elections to be held this year. The word had gone out that of the 1,800 who were disfranchised by Judge Blair, probably half of them had removed from the county or had died. The investigation that has now been made brings to light that the only material loss has been created by death. The belief prevails that Adams county will cast 1,700 more votes in the coming election than in the last election. This discovery has been the cause for quickened interest being found at every hand, that correct tabulation may be kept by those who will look after the affairs of the dominant parties.

#### WILLIAM J.

Arrives in Washington and Will Take a Hand in the Fight Between President and Congress.

Washington, March 6.—The influence of William Jennings Bryan will be felt in the fight over the armed ship issue, which administration leaders plan to bring to a vote in the House Tuesday. Mr. Bryan, who outlined his views in favor of warning Americans off armed merchantmen to Representative Stephens of Nebraska, came back from New York this morning and will spend the day here with Representative Bailey of Pennsylvania. He will be there while the House Rules Committee is framing its rule to bring before the House for action after limited debate, the report of the Foreign Affairs Committee.

The report recommends that the McLemore warning resolution be tabled and sets forth that the President should be permitted to exercise his constitutional right of handling diplomatic negotiations without interference from Congress.

#### FIGHTING CONTINUES AROUND VERDUN.

Fighting of great violence continues at Douaumont in the Verdun region, the British War Office announced Sunday night. The Germans made a heavy attack against the French front along the line from the Haumont wood to Douaumont fort. This assault, the statement says, was repulsed.

French artillery officers who took part in the battle of Verdun estimate that during the first four days of the struggle the Germans discharged 2,000,000 shells, most of them of heavy caliber. The number of projectiles fired by the French probably was as great. Nothing like such an expenditure of munitions has been known before, even in the Champagne attack. The whole theory of operations was to pulverize defenses at long range, drive out or kill defenders and then occupy the ground by massed rushes of infantry.

#### MISSISS LEE ENTERTAIN.

The Misses Lee entertained a number of ladies at their home on Market street Friday afternoon in honor of Mrs. Lewis K. Parry of Pittsburgh.

Promptly at 1 o'clock an appetizing three course luncheon was served, after which progressive "forty-two" was enjoyed until a late hour. The three prizes given were made by Miss Lee, being handsome crocheted work, and will be cherished by those fortunate enough to win them. Those present were Mesdames Lewis K. Parry, Frank Clark, Ben Poyntz, Josephine Rogers, E. P. Lee, W. H. Cox, Edwin Matthews, Graham Lee, J. B. Wood, C. W. Lewis, Thomas A. Keith, and Misses Charlotte Wood, Alice Gill, Mary Wood and Lettie Wood.

#### ARRESTED AT RIPLEY.

C. & O. Detective Stewart arrested three Mayslick negroes at the South Ripley depot Saturday night for drinking and raising a disturbance at that place. The men will be given a hearing before Squire Fred W. Bauer this afternoon.

The C. & O. has determined to break up the rowdism which has been going on at South Ripley for some time and will from this time on arrest all who do not behave as gentlemen while in the depot.

#### A SPLENDID ENDORSEMENT.

A Maysville Democrat returned from Frankfort Friday and was heard to remark that Senator L. N. Rayburn voted to kill the bill cutting the appropriation for the Kentucky Children's Home, and that he had been on the right side of everything, so far as he was not bound by party pledge.

#### BABY WEEK STARTS OFF WITH A GREAT CONTEST.

The greatest thing in the world is a baby. Maysville's "Baby Week," under the auspices of the Woman's Club, opened up Saturday afternoon at the Mission with surprising attendance.

Mrs. Peddicord had the room tastefully decorated and arranged for her little guests and their mothers.

The contest was opened by Mrs. George Longnecker, president of the Woman's Club. Mrs. Longnecker is always entertaining, but her address of welcome to the mothers was a literary gem. The talk was indeed "A word fitly spoken, like apples of gold in pictures of silver." It was an inspiration to those who heard her. She was followed by Miss Hartierode in a musical selection on the piano.

Dr. J. T. Storde in a few terse sentences put the mothers wise to their duty to their children.

Health Nurse Miss Anna May Casey is the well known visitor to many homes. She talked to the mothers in a heart to heart manner. She was practiced in her choice of words and common sense was in every sentence. Many of the homes represented have been cheered by her presence and help.

The two winning babies were each 7 months old. One lives on Carmel street and the other on Short street. Miss Casey was the attendant when the little strangers came to bless the homes.

The judges awarded the first prize, \$5 in gold, to Eugene Mason, aged 7 months, of Carmel street, and Elwood Lucas, aged 7 months, of Short street, the second prize, \$2.50 in gold.

The following babies were registered: Willie Austin, 5 months; Karl J. Bules, Jr., 18 months; George Walter Beckett, 19 months; George Clephane, 16 months; Gladys Darnall, 2 months; Joseph Hall Dodson, Jr., 10 months; Charles Thomas Fristoe, 15 months; Alvina Frederick, 22 months; Robert Gilbert, 8 months; Flora Gullett, 10 months; Harvey Johnson, 7 months; Vincent Merrill Johnson, 9 months; Delina Pearl Jones, 14 months; Mary Deloris King, 9 months; Elizabeth May Lewis, 21 months; Elwood Lucas, 7 months; Ada May Lucas, 7 months; Eugene Mason, 7 months; Anna Marie Mitchell, 18 months; Abraham Mitchell, 14 months; Stanley F. Reed, Jr., 18 months; Evelyn M. Tolle, 2 years; Jean Wels, 5 months, and Robert Wilson, 9 months.

#### MRS. MATTIE COX DIED AT AN EARLY HOUR MONDAY MORNING.

The week has been favorably launched. One special feature is the baby clinic on Wednesday from 9 to 12, and the addresses in the afternoon. It will repay parents to attend these meetings.

#### MRS. MATTIE COX DIED AT AN EARLY HOUR MONDAY MORNING.

Mrs. Mattie Cox, wife of Mr. Charles Cox, foreman of the packing room at the Cotton Mills, died Monday morning about 5 o'clock at her home on Wall street. Mrs. Cox was in her twenty-third year, and is survived by her husband and three children, the youngest a baby about 3 months old. The funeral arrangements have not yet been announced.

#### IMPORTANT SUNDAY SCHOOL MEETING.

There will be an important Sunday school meeting at the Third Street M. E. church Wednesday night at 7:30 o'clock. All those looking forward to a big attendance on "Go-to-Sunday-School Day" are especially urged to be present. Other important business will also be discussed.
